

HJ Bennett Heritage Fleet

1941 Bedford OMD

The vintage commercial vehicle in the picture is a 1941 Bedford OMD, which started life as a military vehicle and later converted to a tipper in 1951. The restoration was carried-out from 2005 to 2007. This vehicle can now be seen on display at the Isle of Wight Steam Railway, Havenstreet.

Other vehicles in the HJ Bennett Heritage Fleet:

- 1941 Bedford QL (un-restored)
- 1955 Bedford A Type Tractor Unit (fully restored)
- 1962 Bedford J2 Tipper (fully restored)
- 1981 Bedford KM1630 Tipper (fully restored - formerly a fire service water bowser)
- 1984 Bedford TK1630 (un-restored water bowser)
